Dear Dan and Debra,

We couldn't have made a better choice when we listed our condominium in the Sapphire with the Posts. Our decision was based upon their experience in the neighborhood and knowledge of the building. Their company size and locale drew many potential buyers in the area of our building

Dan and Debra were helpful but not forceful in setting the sale price and with fantastic results in 9 days.

Wonderful to deal with, they take the pressure away from the selling process, assist with all the issues allowing us to focus on the future and enjoy the winter in Florida with our guests.

Thank you Dan and Debra

Sincerely yours,

Robert Butt and Ann Capponi
